Re: Amendment to Georgia-Pacific San Rafael
Quarry Plan of Operation

Dear Mr. Simmons:

Enclosed please find a sketch showing the amended mining
plan of operation at our San Rafael Quarry.

We have located high grade white rock in the strike direction
of our deposit. As a result, we are amending our plan of
operation to extend our quarry in a East-West direction.

Please contact me, should you have any questions.

Thank you for your continued cooperation and assistance in this
regard.

Sincerely,

GEORGIA-PACIFIC CORP.
